### **SCAM ALERT FROM TMLP**

(Taunton, MA) –TMLP reminds TMLP customers to guard their personal information, including account numbers, credit card numbers and the like from scam artists who may be seeking ways to steal identities. In recent days, several customers have alerted the TMLP that they've received suspicious calls from a "TMLP Customer Care Rep" regarding their accounts. We have advised these customers, and all others, that should they receive any future calls that appear suspicious in nature, that they should end the call by asking for the name of the customer care rep, the nature of the call and to dial TMLP's Customer Care number: (508) 824-6976 to validate the call.

Fraudulent calls will be reported to the proper authorities so please, let us know if you think you've received such a call.

TMLP serves 36,000 customers in Taunton, Raynham, Berkley, North Dighton and sections in Lakeville and Bridgewater.
