## NEWS RELEASE

FOR IMMEDIATE RELEASE  
August 28, 2011

**Contact:** Cynthia Angus  
**Office:** 508.824.3152  
**Cell:** 774.406.0703

(Taunton, MA) – As TMLP crews and staff work through the hurricane and afterwards with the restoration, please know that all of our staff are required to carry TMLP identification. Do not allow anyone into your home if they cannot produce a valid TMLP ID. If you should have any questions regarding the authenticity of what is being shown to you, call 508-824-6976 to verify the employee's identity.

In the meantime, please know that our employees will work round the clock to restore power until every customer is back in service. Please stay clear of any downed lines, use generators safely and finally, help us during this stressful time by maintaining a level of patience with our staff when calling in to report outages.
